

### **Club Controller Opportunity**

**Trump National Golf Club – Bedminster**, Platinum Club of America and the future site of the 2017 U.S. Women's Open and 2022 PGA Championship, located in Bedminster NJ is seeking a Club Controller.

The Controller functions as a business manager and is responsible for all financial reporting including, but not limited to: accounts payable, accounts receivable, payroll, budgets, cash management, internal control procedures and systems, accounting records maintenance, analysis and interpretation of statistical and accounting data and management report preparation. The position leads the accounting office staff and reports directly to the club's General Manager. He/She will work closely with him/her and the Trump Organization corporate CFO to ensure that the club's financial goals are met on a consistent basis and that records are accurate and transparent. Excellent attention to detail is crucial as is the ability to interact effectively with department heads and corporate management.

The right candidate will be a self-motivated, career-oriented individual ready to assume a new challenge. Well-developed organizational skills, critical thinking ability and excellent communication skills are key qualities for this position. This is an excellent opportunity to work for a successful, dynamic, non-equity club that continues to be in a development phase. Experienced financial professionals as well as current assistants who are ready to move up will be considered. Prior experience with the Jonas accounting software in a club operation would be preferred.

The current Controller is leaving the club in a very good position after 8 successful years to pursue another opportunity.

Position is available immediately. Salary commensurate with experience.
